

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE LODI CITY COUNCIL**

DON LINDSAY

Age: 47

Occupation: Interstate Truck Dispatcher / Real Estate Investor

My education and qualifications are: I will bring to the office open-minded thinking. For many issues, I strive to learn enough to defend either view. For some issues, decisions may not need to be made by public officials. I do not believe government is the solution to everyone's problems. I will encourage people to help themselves and others.

I want to play a special part in the future of Lodi. Issues that will be faced soon are the need to encourage businesses to get started or expand in Lodi; the procurement of alternative sources of water; and the proper development of affordable housing.

As a Council Member, I would present a viewpoint of an average person making above average decisions. I will choose what is best for the health, safety, and welfare of Lodi. It is my above average attitude that helped me make choices getting me to this point.
